About KGOC

For more than six decades, we have been helping the world to organise businesses and assisting people to bring out their creative best with innovative and high precision products that help to 'Join, Fix or Cut' through our brands - Kangaro, Miles, Munix and Kohe. We are one of the largest manufacturers and suppliers of high quality Staplers, Staples, Staple Removers, Paper Punches, Gun Tackers, Tape Tool, Pneumatic Tools, Industrial Staples, Stitching Wire, Scissors & Kitchen Essentials etc. KGOC brand identity symbolises the unification that signifies flexibility and limitless possibilities to create a new future.

About Kangaro

Kangaro, an iconic stationery brand established in the year 1958, offers wide range of Staplers, Staples, Staple Removers, Scissors, Paper Punches, Gun Tackers for both Professional & DIY .

Since its inception, the brand has grown manifold in its reach, mainly because of its commitment to quality and swiftness in responding to market needs with innovative and value added products.

'KANGARO' holds major share of the Indian market in its category and its products are being exported to over 100 countries around the world. Products under this brand are manufactured in-house and are also supplied under the OEM segment to many international brands.

Infrastructure

KGOC has seven state-of-the-art manufacturing facilities, which possess high quality machinery for precision engineering. All units are vertically integrated, wherein all manufacturing operations are performed in-house, right from manufacturing of the smallest parts such as spring, rivet etc. to complex multi-part components.

Development Centre & Tool Room

KGOC has a well equipped Research and Development (R&D) Centre and an ultra modern Tool Room having all the latest facilities. R&D centre, along with its over 200 quality engineers provides the innovation and design breakthroughs that not only simplify life but also compliment the uncompromising quality benchmarks that we have set for ourselves. There are CAD/CAM/CAE set ups which manufacture using the softwares. CNC wire cuts, CNC EDM machines, CNC Milling Machines and other such machinery and equipment develop quality Tools, Jigs and Fixtures which enable KGOC to manufacture the required international quality end products.

Quality Policy

'Quality Culture' runs into every segment of KGOC's working supported by a team of more than 4000 highly qualified professionals, engineers, technocrats and dedicated workers, whose devotion and dedication has become a cornerstone of KGOC's success."We believe that quality is the life line of every business and is committed to satisfying its customers by manufacturing and supplying its products to their entire satisfaction first time and every time with continual up-gradation in the effectiveness of the quality management system."

Mission

To be the leading manufacturer and supplier of quality products in the world.

Vision

We help people organise their ideas and their life. By enhancing their productivity and efficiency.

Environmental Policy

KGOC has a benevolent Environmental Policy which gives weightage to sustainability and green manufacturing procedures. Environmental awareness and sustainability are not mere words at KGOC. Utmost care is taken to maintain greenery on the land on which our factories are built. Our pledge to the environment is very much woven into our DNA, our philosophy and our way of life. Each one of us believes in the ideology to protect the environment and create a sustainable future. We have made huge investments in solar energy.
